Dear Client,

You are receiving an informative document that will help you understand the process of requesting a CAQ – Certificat d'Acceptation du Québec. The CAQ application process is split to three steps:

Ouébec

- The first step of your CAQ application process is to open an online profile with the Ministry of Immigration in Quebec (MIFI) and pay your application government fees. There are 11 steps in this stage, you will find them all here: <u>https://www.form.services.micc.gouv.qc.ca/dcae/faces/faces/pages/identite1.jspx?lang=en</u>. Do not forget to write down your username and password, you will need it in the future.
- 2. The second step of your CAQ application process is to open a second online profile called Arrima, which is different than the first profile used in the first step, but it is also within the jurisdiction of the government of Quebec. This document you are receiving will walk you through the procedure of opening an Arrima online profile. <u>Please read this document carefully and do not start working on this step until you have a confirmation that the first step has been completed.</u> You will require a CAQ application number for the Arrima portal, which will be given to you after you complete the 11 steps of the first stage.
- 3. The third step of your CAQ application is to upload your documents through the Arrima online portal. This tutorial will also help you understand this process.

## Québec 불 🕈

Once your application is filed and the documents are uploaded, your CAQ will be assessed by the Ministry in Quebec (MIFI). If everything is in order, the expected processing time is 4-6 weeks. If the Ministry requests more documents/information from your end, they will send you an "Intention to Refuse" (ITR) letter, to grant you the opportunity to explain and provide more documents. Here you will also find instructions on how to respond to the ITR.

Should you have any questions, do not hesitate to contact us at support@encubate.ca.

Regards,

Encubate Team
